A Note from the Organizer

Having fun is a must! I saw a need and I'm answering the call. This is for the young, our future—it's our responsibility to teach them how to come together, learn tradition, and understand the importance of family and extended family. Negative attitudes are not allowed. If you see a need, don't complain; be a part of the solution and fix the problem. If you're not coming to have fun and show love, please don't come. I pray that you all can join in the festivities. We're not getting any younger.

We look forward to celebrating with you! • Annual Family & Friends Reunion 2026 • www.familyfriendsreunion.com
